Update

Hey Kat I'm sorry we had a board meeting this morning and the vote against a mediator and a vote for Retu or Seth to run the meeting was voted in instead , I'm sorry for the late notice as I know it will ruffle some feathers I hope this doesn't impact our meeting but if it does I understand let me know the outcome .

The board voted for Seth and Ritu to run the meeting instead?

I'm not being combative when I ask this but I need to know what members of the board voted on this

The board has been expanded we didn't do a roll call but that was the majority of votes

Bill Fletcher knows the law and has been doing this a long time

He is also neutral

Nobody trusts Ritu here and even people in your own team do not trust her. She is clearly biased toward Chris. In some ways unethically.

I strongly suggest a vote again mandating all board members be present .

Again I know you can't hear my voice through text . I'm not being rude . I'm just being honest .

Okay how about RIA? I'm not 100% sure though because she just had a baby I agree with you on Retu

I don't know about RIA ...  
What about we start with Jeanie and Bill ? I feel like she is fair

I don't know about Jeanie she just had hip replacement surgery

She may not be able to

Oh poor thing
